Mission and Purpose: The SEC is an elected group of students that serves as a voice in representing the VCU School of Pharmacy. It was established in 1999 to promote practical education in the process of self-government. The group meets once a month and comprises three executive officers, four class presidents, 12 organization presidents and the editor of The Capsule. It has six deans as advisors. The SEC promotes scholastic achievement, encourages understanding and communication with faculty and students, coordinates activities of the School of Pharmacy community and furthers professional, social and legislative interests within the school and for the profession of pharmacy.

The purpose of the SEC is to uphold the interests of the School of Pharmacy student body and to serve as the sole governing group to address the following objectives:

1. Uphold the executive, legislative, and judicial powers of the VCU School of Pharmacy.
2. Act as liaisons between the School of Pharmacy.
3. To facilitate an open forum for discussion among the leaders of the student organizations, classes and fraternities.
4. To facilitate the planning of the School of Pharmacy student activities including Fall and Spring picnics, Fall Open House, Student Assembly Hours, the Pharmacy Formal, the Interdisciplinary Skills Competition, and School of Pharmacy/MCV Campus Health Fair.
5. To encourage and establish standards of professionalism among the student body.

Inter-Fraternity Council

Mission and Purpose: VCU School of Pharmacy has three professional pharmacy fraternities, Phi Delta Chi (PDC), Kappa Epsilon (KE) and Kappa Psi (KY), all of which are open to all students for membership through the rush process.

Rush occurs each semester. However, students are able to rush a fraternity only if they have completed one semester of pharmacy school, are not currently or will not be on probation, and do not have any affiliation with any pharmacy fraternity. All pledges will be required to attend at least one rush week event for the fraternity they wish to rush. Please do not hesitate to contact Parker Campanella at campanellapd@vcu.edu with any questions.

2017-18 President: Parker Campanella
Advisor: Rachel Flurie
Mission and Purpose: Phi Delta Chi Pharmacy Fraternity develops leaders to advance the profession of pharmacy. Phi Delta Chi, a life-long experience, promotes scholastic, professional, and social growth in its Brothers. We strive to provide quality services to our patients, thereby advancing public health and strengthening ourselves as health professionals.

**Mission and Purpose:** The Kappa Psi Pharmaceutical Fraternity, founded in 1879, is the oldest and largest pharmaceutical fraternity. Kappa Psi was formed with the mission of community involvement through professional activities. In addition, Kappa Psi strives to foster scholarships and mutually benefits all its members through industry, sobriety, fellowship, and high ideals. The Theta Chapter of Kappa Psi was installed at the Medical College of Virginia on July 30, 1921.

See our [Facebook](#) page or [website](#) for more.

The objectives of the organization include:
- To conduct a professional fraternal organization for the mutual benefit of its members;
- To develop industry, sobriety, and fellowship;
- To foster high ideals, scholarship, and pharmaceutical research;
- To support all projects which will advance the profession of pharmacy and to actively participate in them;
- To inspire in its members a deep and lasting pride in their Fraternity and in the profession of pharmacy;
- To render such other services to its members and its profession feasible and in accordance with the constitution and bylaws of the Fraternity.

Phi Lambda Sigma (PLS)

**Background:** As the Beta Nu Chapter of Phi Lambda Sigma (PLS), the National Pharmacy Leadership Society, we support pharmacy leadership commitment by recognizing leaders and fostering leadership development. Beta Nu's mission is to promote leadership within the profession of pharmacy, particularly among student pharmacists, in an effort to advance the profession. Leadership emanates from the current membership of the society.

Membership is bestowed upon students, faculty, and alumni who demonstrate dedication, service, and leadership as pharmacy advocates. Through peer recognition, the society encourages participation in all pharmacy activities. Such recognition aids in personal and professional growth, stimulates more active involvement, and promotes the greater effort toward the advancement of the profession of pharmacy.

Beta Nu is excited about new initiatives, including Bone Marrow Donation Awareness through Be the Match.

Rho Chi

Mission and Purpose: The Rho Chi Society is the national pharmacy academic honor society. The Lambda chapter was established at the Medical College of Virginia in 1929, and the School of Pharmacy’s deans select inductees for membership based on their GPA and class ranking. Honor society membership, like most worthwhile things in life, does not come easily. An invitation to membership reflects not only exceptional achievement but expectations of excellence and future contributions to the profession of pharmacy.

The society’s vision is to achieve universal recognition of its members as lifelong intellectual leaders in pharmacy. As a community of scholars, the society will instill the desire to pursue intellectual excellence and critical inquiry to advance the profession.

The mission of the society is to encourage and recognize excellence in intellectual achievement and foster fellowship among its members. Further, the society encourages high standards of conduct and character and advocates critical inquiry in all aspects of pharmacy.

Student National Pharmaceutical Association (SNPhA)

Mission and Purpose: The Student National Pharmaceutical Association (SNPhA) was founded in 1972 as a student affiliate of the National Pharmaceutical Association. SNPhA is an educational and service association of students who are concerned about pharmacy issues, professional development, and the lack of minority representation in pharmacy and other health-related professions. The purpose of SNPhA is to plan, organize, coordinate, and execute programs geared toward the improvement of the health, educational, educational, and social environment of the community. To attain its purpose and objective, SNPhA develops and coordinates programs in areas directly affecting minority pharmacy students and health care of minority people. SNPhA further pledges to work with other organizations and public agencies in the pursuit of charitable and educational objectives.

Mission and Purpose: The SVSHP chapter at the Virginia Commonwealth University School of Pharmacy is a student chapter of the Virginia Society of Health-System Pharmacists, which is a state chapter of the American Society of Health-System Pharmacists. Membership in SVSHP also includes membership to the state and national parent organizations.

VSHP (Virginia Society of Health-System Pharmacists) is the professional society that represents pharmacists who serve patients in Virginia across the continuum of care in integrated health care systems. Components of such systems include acute care, ambulatory care, home care, intermediate care, long-term care, and other components of health-systems.

ASHP (American Society of Health-System Pharmacists) is the 31,000-member national professional association that represents pharmacists who practice in hospitals, health maintenance organizations, long-term care facilities, home care, and other components of health care systems. ASHP’s primary objective is to assist pharmacists in fulfilling their mission to help people make the best use of medications.

Our mission is to advance and support the professional practice of pharmacists in hospitals and health systems and serve as their collective voice on issues related to medication use and public health. Membership is now open, and you can sign up now through our membership form.
