School of Pharmacy

Technical Standards Acknowledgement

Virginia Commonwealth University (VCU) School of Pharmacy Pharmacy Technician Training Program

The Division for Academic Success (DAS) offers disability and academic support services to students in the VCU Health Sciences schools. DAS creates inclusive and accessible learning environments while facilitating academic success. This is accomplished through innovative services and programs in partnership with faculty, staff, and learners at VCU. For assistance, please contact the Division for Academic Success at 804-828-9782 or acadsuccess@vcu.edu.

I have read and understand the VCU School of Pharmacy's Pharmacy Technician Training Program Technical Standards. To the best of my knowledge, I agree that I meet these standards, with or without reasonable accommodations.

I have read and understand that if I should need an accommodation(s) due to disability or should the need arise during my program, it is my responsibility to reach out to DAS to determine if any specific accommodations may be necessary and can be made.
